Frequently Asked Questions

1. Do I need to enroll in a program or pay a fee to receive the \$4, \$10, and \$15 list pricing?

No. The list pricing will be available to all H-E-B Pharmacy customers with no enrollment or fees.

2. Is the \$4, \$10, and \$15 list a substitute for prescription insurance?

No. This is not an insurance policy and does not provide insurance coverage.

3. How will I know if my drug is available on the list?

Customers can visit heb.com/pharmacy/generics to determine specific list medications.

The pharmacy staff will also be available to answer questions.

4. What quantity is included in the \$4, \$10, and \$15 pricing?

The \$4, \$10, and \$15 pricing is for commonly prescribed dosages up to a 30 day supply.

5. What quantity is included in the \$10, \$24, and \$36 pricing?

The \$10, \$24, and \$36 pricing is for commonly prescribed dosages at a 90 day supply.

6. What discounted prescriptions are available for pets?

Pets can receive the \$4, \$10, and \$15 list pricing with a prescription from your veterinarian for human equivalent medications on the list.

7. If I have insurance, will I still be able to receive the \$4, \$10, and \$15 list pricing?

Yes. Customers with insurance should continue to use their insurance. Insured customers will generally pay the list price OR the insurance plan's co-pay, whichever is less.

8. Will medications on the \$4, \$10, and \$15 list count towards my insurance deductible?

If the pharmacy bills your insurance for medications included on the \$4, \$10, and \$15 list, the claim will count towards any deductibles or out of pocket expenses.

9. How do I find the cost of medications that are not on the list?

Visit your H-E-B Pharmacy for more information.

*The day supply is based upon the average dispensing patterns for the specific drug and strength. The prices, quantities and the list of covered drugs can be modified by H-E-B Pharmacy at any time without notice and at H-E-B Pharmacy's discretion.
